

The July 1, 2020 Meeting of Knights Council 3928 was called into session at 8:13 pm.

Attendance... Meeting held in the large hall to observe social distancing rules. 17 members present.

Admissions Committee... No Report.

Grand Knight Report... Thanked Rich Falcone for his service and thanked Council for electing him.

Announcement was made that we have achieved Star Council. A great achievement for our council and let's see if we can do it again this year!

Treasurer's Report... Chris presented both his month end and year end reports which are available for review upon request. Highlights of the year: Council finished the Fiscal year at only \$80 in the red, which is excellent considering the pandemic that cancelled many events at the end of the year and the increased expenditures on the Columbus Club, Scholarships, and Vocations. Budget set for 2021, and Chris explained that this is the first year we are projecting a loss due to the cancellation of the Carnival. But he is hopeful that with hard work and a successful Fish Fry next spring we can break even on the year which would be extremely successful for the council. The Easter Egg hunt money is being rolled over from last year. Also, State has waived the Per Capita expenditure for the next 6 months. Chris's report as well as the budget are available for individual review upon request.
