Committee Reports:

BUILDING: Mike Tufano has been doing spring-cleaning outside the building. Soda system has been upgraded, and the storeroom was cleaned & reconfigured. Spoke with Chris (Contractor) about the roof. The panels are in the process of being made. Chris needs to go on the roof to take a measurement of one of the vents that could not be done with the CAD. Ken & Mike have been cleaning out the warehouse. Need to paint the hallways, and some other odds & ends

BINGO: 71 players last week. There are quite a few churches that are closing, some of which have Bingo programs. There were quite a few new faces, and some took the cards that we have been using. A new player said that there is a lot of background noise, and she was unable to hear the caller, and said that she isn't coming back. There was some discussion about opening the back room.

RENTALS: The Guilford Arts Council, met with Brian & George, about using the hall on October 13th. They want us to donate the use of the hall. Brian said that we can't donate the hall, but we can let them use it for our cost of \$250.00. Mike Lorello is looking at the cost of doing double-sided business cards. Sal made a point that most people only look at one side, and that we should make 2 different cards.

Old Business: Guilford Fair Parade. They will be mailing info out in early June. Sign @ Boston & South Union. Ken made a motion that the Sign committee, spend up to \$500.00 to get the new sign up ASAP, 2nd by Mike Tufano, passed.
